Art needs to be positioned well in a room to be effective. At the same time, the art requires special lighting. The purpose of this source of light is to place the work of art centrally for the viewer. Art does not follow light, but rather light follows art. Sculptures or pictures shape the room with their structure, colour and relief. Their effect is emphasised with this light effigy – from a warmly dimmed glow to bright white floodlights. Harmony of art and light to perfection. The brightness can be adjusted via a dimmer control.

Material: brass, illuminant: dual LED, lifespan: 50,000 hours, LED-CEE: F, light colour: 3100K, Ra: 94+, primary voltage: 220V - 240V, primary voltage: 220V - 240V, dimmable: via touch dimmer, rotatable fluorescent tube: Ø 18 mm, total height: 950 mm, base dimensions: 100 x 100 x 50 mm

Scope of delivery: whole lamp with illuminant and power supply.

IP20
